

Build an Instrument

Follow these instructions and learn how to build a kazoo and drums out of house hold items!

Kazoo

What you'll need:

- Parchment or wax paper
- Toilet Paper Roll
- Rubber Band
- Scissors

Kazoo

Step 1: Cut a small hole in the bottom half of the toilet paper roll

Optional: Decorate Kazoo!

Step 2: Cut out a small piece of wax paper (large enough to cover the end of the toilet paper roll)

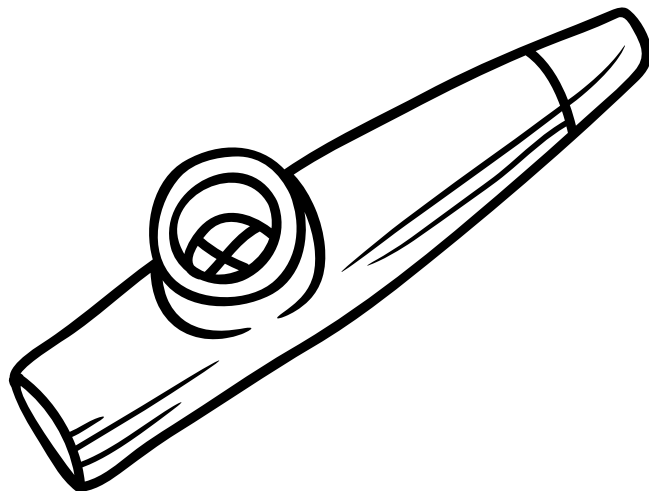

Kazoo

Step 3: Attach the cut out wax paper to the end of the paper towel roll (opposite the hole you cut) and secure with a rubber band

Step 4: Hum into your Kazoo and try out different sounds!

Drum

What you'll need:

- 1 - 4 Tin Cans (of varying sizes)
- Balloons
- Scissors
- Rubber Bands
- Dry Rice or Beans (Optional)

Drums

Step 1: With an adults help remove the top from the cans (make sure there are no sharp edges) and clean out the contents of the can

Optional: put a small amount of rice or beans into the cans to explore different sounds

Step 2: With an adults help cut the skinny opening off of your balloons.

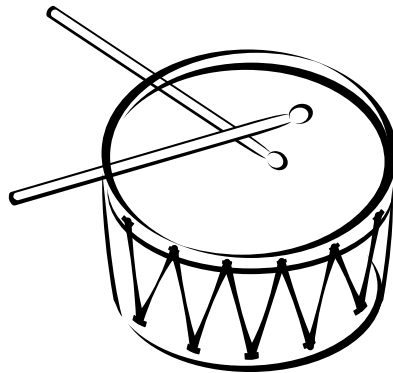

Drums

Step 3: Pull a balloon over the open can and securing tightly with a rubber band (the tighter the balloon, the better drum sound!)

Step 3: Use popsicle sticks or the eraser side of pencils as drumsticks, or use your hands and enjoy your new drums!
