# WELCOME TO THE 2019-2020 CONCERT SEASON

From all of us at the Greeley Philharmonic, welcome to our 2019-20 Season! Northern Colorado is so fortunate to have a professional orchestra right here in Greeley, and as Executive Director, it is a privilege to lead an organization with such a rich history in our community.

We are thrilled to present a season that will showcase the talent of our musicians and special guest soloists, including world-class saxophonist Andrew Dahlke and critically-acclaimed singer Jim Curry (performing the music of John Denver).

Our season will sweep you off your feet as we travel to the depths of the ocean, explore the sounds of our galaxy, avoid the appetites of vicious dinosaurs, and everything in between.

We are excited to introduce two finalists for our Music Director position – Mr. Scott O’Neil and Mr. Adam Flatt. Scott and Adam will each conduct two of our season’s concerts, with additional concerts conducted by several local guest conductors. You will not want to miss this lineup of exceptional programs, the opportunity to watch and meet our finalists, and the anticipated announcement of who will be our next Music Director.

Welcome to our season

**Frontiers: Discovering Land, Sea, Sky, Space, and Beyond.** I look forward to seeing you in Monfort Concert Hall.

Musically yours,

Nicholas Kenny  
Executive Director,  
Greeley Philharmonic Orchestra

# GREELEY PHILHARMONIC ORCHESTRA

## ABOUT THE GPO

The GPO is one of only a few orchestras in the United States today to reach the elite status of operating for **over a century**. This accomplishment is shared with cities much larger than Greeley. The quest for beautiful music was a driving force for the early settlers. We at the GPO carry on that quest to inspire and enrich our community through live symphonic music.

## UNION COLONY CIVIC CENTER

The Union Colony Civic Center is Northern Colorado's premier performing arts venue and is proudly owned and operated by the City of Greeley. The UCCC's Monfort Concert Hall has been home to the GPO for 30 years.
